# Notes regarding the 2025/26 LDMFA Membership Renewal Form

As of the new financial year 2025 to 2026 there has been a reduction to the MAAA / VMAA fees of \$15. So your MAAA component is now \$134. Juniors are \$30 on renewal. New Juniors are subsidised.

If all your details have not changed from last year, then there is no need to return your Membership Renewal Form to the LDMFA. Just calculate your renewal fee, and direct deposit your full payment to:

|                         |   |
|-------------------------|---|
| BSB:                    | <b>633-000</b>                                |
| Account:                | 209444918                                     |
| Account Name:           | <b>Lilydale and District Model Flying Inc</b> |
| To Account Description: | <b>your FAI licence number - eg. AUS12345</b> |

If any of your details need to be updated, please print out the renewal form, mark your changes on the form and then return the completed form to [registrar.ldmfa@gmail.com](mailto:registrar.ldmfa@gmail.com) or email the changes to me including your AUS number. Note new email address.

## **Field access code:**

The locks to the front gate, the club house and the toilet block will be changed on September 1. Your current code will not work after that date. The new code will be emailed (or mailed) out to you when available.

## **Payment:**

We would greatly appreciate it if you could pay your renewal fee by direct deposit, as handling payments by cash, cheque or money order is a painfully slow process for our volunteer Treasurer and Registrar. If you don't have the facilities at home to do a direct deposit, then your bank should be able to do it for you. Cash payments handed to Committee Members will not be accepted.

## **Insurance**

It is vitally important that you pay prior to June 30, 2025 to be covered for your insurance. If you have not paid by then, you must **not** fly at LDMFA or any other affiliated field until such time as your fees are received and receipted by LDMFA. There is now a \$500 excess on any claim lodged with MAAA.

Regards,

*Mike Smith*
